- Emphasize that they will be taking orders and payment upfront; then delivering product after the order is processed.

- Establish a DUE DATE for all orders and money to be sent to you.
- Establish a DELIVERY DATE based on your fundraising campaign length, so your sellers can communicate this to their customers.
- Communicate where the sellers can pick up their order and when.
- Record the names of the sellers on your Team Captain's Master Tally Form as you provide a Seller's Form to each individual on your team.
- Emphasize that the selling price per bag of coffee is \$10.00 with \$4.00 of the proceeds going directly to support MS .
- Once the campaign is complete, have each seller deliver a photocopy of their order form along with payment to you.
- Record their Quantity Sold and Total Amount Collected on your Team Captain's Master Tally Form.
- Orders must be rounded to the nearest case. Final orders are sold in case units only, (24 bags per case).
- When complete, place your entire order by calling Berry Coffee at 952-937-8697, and use Order Item # 85580.
- Payment is due when the order is placed. The product will be ground shipped free (continental U.S. only) to the address you provide. Please ensure the address is capable of receiving your quantity of coffee ordered.
